

## FOOD ASSISTANCE

These resources have been collected by the Northwest Arkansas Food Bank from various organizations and public information sheets. We hope you find this information helpful as we understand other community resources are needed in addition to food assistance, and we want to promote the great work of other community organizations. Special thank you to our summer intern, Rose, for putting together these lists.

For a separate list of NWAFFB Agency Partners and details regarding their food distributions, please visit [nwafoodbank.org/find-food](http://nwafoodbank.org/find-food).
